### Message from the President

It's hard to believe that our fall season has come to an end and, with it, we say goodbye to baseball and soccer. Don't worry, they'll be back soon enough as is evidenced by the fact that spring baseball registration is now open. But, for now, we shift into 'winter sports' mode. Whether your children are involved in basketball or field hockey, they are in for a great season of fun and exciting competition. To all of our parents, coaches/instructors, referees and sponsors, please accept our heartfelt thanks for your ongoing support and commitment to WRA.

From a Board perspective, we are thrilled with the continued participation of so many children and parents and we look forward to an even better 2015. As we always strive to improve our programs, the Board recently finalized our newly implemented "Grievance Policy" in the hope that it will be rarely needed, but available if appropriate. Our intent is to ensure an easy, quick and fair process for any issue that may need to be addressed.

While we have always benefitted from parents and sponsors for financial support, we are proud to present our annual Winter Bash this coming February 21st. We thank Blue Bell Country Club, once again, for accommodating WRA's annual fundraiser and we anticipate a large turnout and extensive support. In order to provide a new and different experience to push aside the inevitable winter blues, this year's Winter Bash will provide comic relief by Big Daddy Graham and Spins Nitely in addition to the usual great food and drinks, music and dancing, silent auction and all-around great time. I hope to see as many of you there as possible. Come hungry and ready to laugh as we welcome so many of our loyal supporters. And remember, once it's over, we will be just around the corner for the transition from winter to spring.

Most of all, we hope that each and every player has a great season no matter which sport he or she chooses. Whether your child is playing for the first time or returning for another year of competition, I know they will have the opportunity to learn, polish some skills and, most of all, make friends along the way. So, good luck and enjoy!

On behalf of the entire WRA Board, I wish each and every one of you a safe and happy New Year and I look forward to seeing you during the upcoming months.

Very truly yours,

Marshall Bleefeld  
WRA President

## Softball is back!

For girls age 7 through 10 (a player's age for the upcoming season is her age on December 31, 2014), the WRA has once again teamed up with our neighbors in Ambler, East Norriton, Plymouth and Lower Gwynedd to create a fun filled intramural softball league. This year, between the townships, we expect at least 8 teams in both of our 7/8 year old (Rookie) and 9/10 year old (Minors) divisions. Home games will be played at Wentz Park and possibly other venues and away games are played less than 4 miles from those locations. Players can generally expect to play two games per week during the regular season, one on a weekday and one on Saturday, and practice on one of the off days.

In the Rookie division, coaches pitch to the girls, no scores are kept and the rules are relaxed. We generally honor a parental request for their daughter to be on a team with one friend. Also, if you believe your daughter should play "up" in the Minors division, she must attend evaluations in February and demonstrate the appropriate skill level. Please keep an eye out for dates to be announced.

In the Minors division, which features trained home plate umpires, girls pitch to each other and play modified ASA (American Softball Association) Rules with limited base stealing. They also compete in end of season playoffs for township bragging rights. We generally do not honor parental requests to play with a friend at this age except in special circumstances because coaches conduct a draft for purposes of obtaining equal teams (we do accommodate siblings). All 9 and 10 year olds must attend evaluations in February for this purpose. Girls may play "up" in the Majors division if they demonstrate the appropriate skill level at the evaluations.

For girls ages 11 and 12 we have our Majors division, a more competitive league played under ASA rules featuring the dropped third strike rule and full base stealing. Last year, WRA fielded one Majors team, coached by Arthur Selverian. This year, given the excitement generated in our program and the level of talent moving up from our Minors division, we expect at least two teams. We are looking to play again in a long established eastern Montgomery league that includes the townships from our Minors divisions, and several more such as Abington, Upper Dublin, and Springfield townships. There is a little more travel involved than the younger girls, but we strive to make it as convenient as possible by keeping weekday travel to a minimum. All 11 and 12 year olds must attend evaluations in February.

**We need volunteers!** Our program was on the verge of extinction a few years ago because we lacked coaches, assistant coaches and those willing to help out in administrative roles. For head coaches, we do not need expert softball minds. We only require people with a basic understanding of the game, good organizational skills and those who enjoy being around a great group of kids. Girls really do just want to have fun while enjoying the thrill of competition.

Please register your daughter today and consider volunteering your time to this great cause and being part of the excitement! For more information, contact Steve Labroli, Softball Commissioner, at [slabroli@leonardsciolla.com](mailto:slabroli@leonardsciolla.com) or Mike Basile, Baseball/Softball Chairman, at [Mbasile6@aol.com](mailto:Mbasile6@aol.com).

Steve is looking to find an assistant Commissioner to help him guide the program.

## Intramural Soccer wraps up another season

Just before Thanksgiving the WRA Intramural Soccer program completed another great season. We managed to get in nearly all scheduled games. Of course none of those games would happen without hundreds of volunteers pitching in! The final task of taking down the goals was accomplished by several players and their parents- a great turnout completed the job in less than an hour.

Our Division commissioners deserve special notice for the intensive efforts they gave to monitor registration and answer questions, and most importantly to assemble teams, schedule practices and games, and resolve conflicts when they arose. Those extreme volunteers for the 2014 season were Sean O'Donnell, Marc Martinelli, Heather Maltin, Bob Graefe, Tracy Palovich, Christy Galloway, Gail Jones, Joe Wurtenberg, and George Crowley. We can't thank them enough for the awesome job they did (but won't stop trying!). Sadly, turnover in the ranks occurs every year, so please consider taking on one of these roles; email [davidwfrank@verizon.net](mailto:davidwfrank@verizon.net) to learn more about volunteering.

The trophy divisions were as fun as ever; we saw incredible player and team development with each game (thanks to all of your dedication, Coaches), and the final games for each division were closely contested and exciting displays of teamwork and good sportsmanship.

Division winners are as follows:

- 4/5 Girls - Team Thorpe-Purple; coached by David Thorpe (picture unavailable)
- 4/5 Boys – Crew ; Coaches Dietrich, Rothschild and Michaels (pictured below)

- MS 6-8 - Chelsea ; Coaches Cleary and Evans (picture unavailable)
- HS 9-12 - Costa Rica ; Coaches Kovacs and Gress(pictured below)

Several teams were formed to represent our program in area intramural tournaments. We owe our thanks to the Travel Soccer Program for organizing and coaching several of the teams, along with our own IM coaches. These folks have contributed time in addition to their ordinary coaching role: Brian Dietrich (IM), Doug Dolfman (IM), Mitchell Harris (IM/Tr), Brendan Hill (Tr), CJ Jouhal (IM), Don Krey (IM), Michael Meyer (IM), Mark Michaels (IM), Michael Piasecki (Tr), Dave Rothschild (IM), and Jeff Schwartz (IM). Thanks to former Travel Soccer chair Matt Schools for suggesting it, along with current Travel chair Patrick Bailey for providing the stimulus to get this effort off the ground, lining up coaches, and providing material support in the form of patches to exchange with each opponent. Our teams have made us proud, successfully competing against teams from several area clubs, all in the intramural spirit of fun for everyone! We will hopefully refine the process of team selection to include as many players as possible for next season and will expand to more divisions.

Postseason play included a MS Division allstar game with representatives from every team on a beautiful Sunday afternoon. Thanks to Joe Wurtenberg for putting together this special new feature!

The HS Division wrapped up with a super fun all-seniors game (pictures below) headed by Jeff DePuyt and Patrick Williams. Our seniors will be missed next season, as they have been active in WRA soccer as players and referees.

A special nod to those that served as coaches this year: Kayleigh Yavorski, Drew Geller, Jacob Schafer, Megan Thompson, Ryan Lamprecht, Joey Kobus, Evan Klos, Henry Zhong and Chris Williams. We also thank juniors Chris Annunziato and Josh Zales for volunteering as coaches! It's a special contribution to coach and our program benefits greatly from having young, energetic, knowledgeable teachers of the game!

We will be regrouping to start the 2015 season in the coming weeks. Watch your email. Please come forward to help keep the program alive and vibrant! **We need volunteers!!!**

## Travel Soccer Update

We have now concluded our Fall 2014 Travel Soccer season. This past year our program expanded to offer 32 Travel Soccer teams. Of the 32 teams we have 15 Girls teams and 17 Boys teams ranging from U8 through U17. Our Boys season finished strong with half of the teams finishing in 2nd or 3rd place in their division. Our Girls season finished strong with 20% finishing in 2nd or 3rd place in their division. Our club performed very well in numerous tournaments played this past summer, Labor Day, Columbus Day and Thanksgiving tournaments. This past season, many teams were also playing at a higher level of competition as they were moved up in their division play and yet delivered great results. Good luck to all of the teams that are continuing with indoor and spring play in 2015.

In 2015, we look forward to the opening of Center Square Park (CSP) which is in the final stages of getting ready to welcome players and fans. An operating committee will be formed which will kick-off in January. If you have interest in helping to get the new park up and running, please let us know. There is much to do in order to make the complex soccer ready for all of the kids!

The Travel Soccer Committee will continue working over the winter on the identification of a Coaching Director and coaching education priorities for both our Intramural (IM) and Travel Soccer programs. The objective is to provide additional support for coaches and players by having additional training curriculums and resources available to our all-volunteer coaching community. Stay tuned for more information on this front.

While we are recognizing successes from this past fall season, preparation is underway for the coming year. Here are some key dates to keep in mind for the 2015 Travel Soccer season:

- March 2015 – Registration for Tryouts (FREE but required to be assessed at tryouts)
- April-May – Tryouts for each age group/gender
- May – Team selection and family notifications
- June – Registration (fee collected) and paperwork completed
- July – Practices begin!
- August – Pre-season Tournaments (team choice)
- September – Fall season begins
- November – Fall season ends
